Lightfoot, the Illinois Department of Commerce and Economic Opportunity (DCEO) and World Business Chicago today announced that Kimberly-Clark, maker of trusted brands including Huggies®, Cottonelle®, Kleenex® and Depend®, will expand their presence in Chicago with a new commercial center for its North American consumer products business.

"Kimberly-Clark's move to Illinois is just the latest sign that our investments in talent, innovation and digital infrastructure are not only paying off for residents but are creating the ideal environment for companies to leverage our unique assets and pursue long-term growth," **said Governor JB Pritzker.** "Kimberly-Clark's iconic brands are essential to millions of people in Illinois and across North America, and we're proud that talented individuals from our state will play a role in producing these essential products for generations to come."
